

# Employer Services

Finding the right candidates for your team or skilling up your existing workers can be challenging. Northeast Indiana Works and WorkOne Northeast stand ready to:

- **Recruit** job candidates at no cost to you through a variety of strategies, including posting job openings locally, regionally and statewide; arranging customized hiring events and job fairs; assisting with skills-based hiring practices, and helping veterans transition to the civilian workforce.
- Offer free **pre-employment screenings** that assess candidates' skills.
- Provide access to low or no-cost **occupational training** for new or existing workers.
- Provide customized **labor market information** that will help you better understand workforce trends.

## By the Numbers

- We serve more than 1,500 employers in northeast Indiana.
- We arrange an average of 250 hiring events/job fairs annually.
- We help an average of 350 workers annually access training.
